Andrea Pizzo and the purple mice to release new except from upcoming album, Potatoes on Mars.

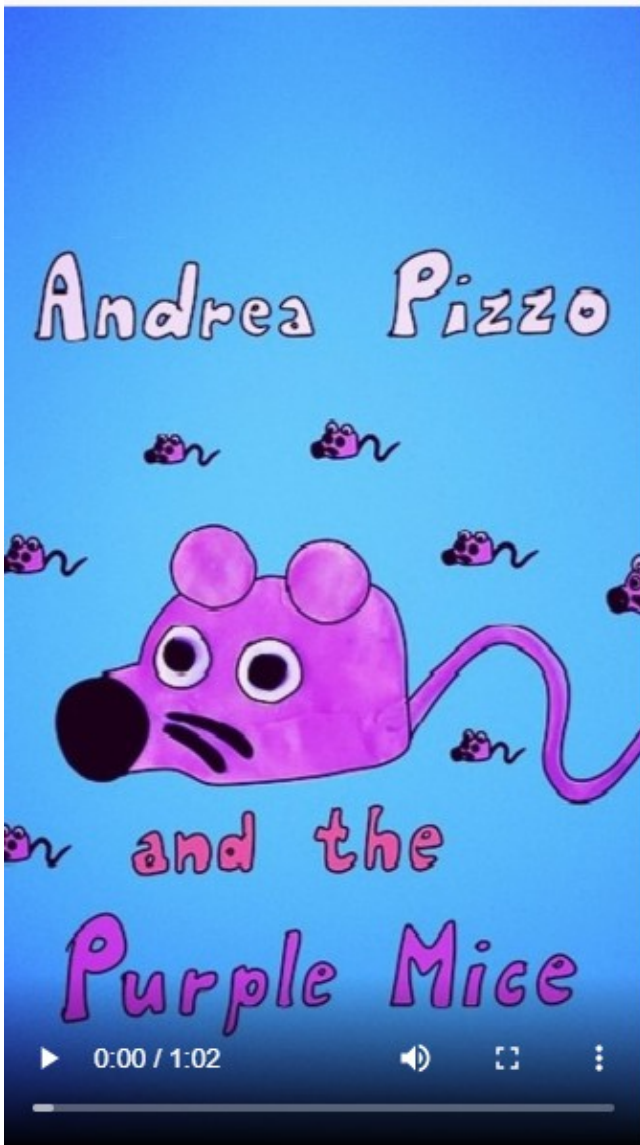

June 2020 - Artist and songwriter Andrea Pizzo recently came out on the scene with a brand new studio release, which is an excerpt from his upcoming album, Potatoes on Mars. His new tracks are insightful and dynamic, highlighting the artist's diverse stylistic background and passion for great retro rock. The new songs set the bar higher with some astonishing melodies and one-of-a-kind riffs to stunning space rock vibes and psychedelic atmospherics. Andrea Pizzo and the purple mice is certainly onto something special with this release and the sound of this release feels competitive and world-class, comparing very favorably with some of the top songs and artists in this particular genre.

Artist: Andrea Pizzo and the Purple Mice @andreapizzo1977
Song: Keep on Searching
Genre: Space Rock

From the lyrics of the song:

Never give it up, never let it go, away
from your path never nevermore
Even in the fails greatness still
remains, when you keep on fighting
despite everything
I don't know anything about the core
of living in this sore, keep searching
the truth it's worth going forward
because it's all we are
